Withdrawals, Transfers and Refunds

IF YOU ARE DENIED A VISA

You are entitled to receive a FULL REFUND (less program registration fee and all bank transfer charges) if you are unable to obtain lawful entry to Canada for the purpose of studying at ILAC. You must provide the letter from the Canadian Embassy stating that your Visa to enter Canada was denied. Students who have applied through an agent must contact the agent for a refund.

ONCE YOU RECEIVE AN ENTRY VISA OR IF AN ENTRY VISA IS NOT REQUIRED

Students who have obtained their visa with the help of a letter of acceptance from ILAC and a conditional letter of acceptance and/or supporting letter to a Pathway Program institution will be expected to complete their English language training at ILAC and not be eligible for a refund.

Once you have started studying, the first 4 weeks of your tuition and homestay are non-refundable. Refunds are calculated based on the unused portion of your tuition (regular brochure prices will be charged for the used portion) according to the refund policy below. For the accommodation portion, ILAC requires at minimum, a 2-week written notice for any changes, cancellations, or postponements. Otherwise a 2 week accommodation fee will be applicable and the homestay placement fee is not refundable.

To withdraw from a program at ILAC, you must first provide a written letter outlining the reason for withdrawing. If you chose to withdraw from ILAC, you must demonstrate that your stay in Canada is lawful or that you will be leaving the country. ILAC will require proof that your Visa status is lawful. ILAC may require proof that you are leaving the country early by showing a photocopied plane ticket. If you are attending another school you will need to provide evidence that you meet the visa requirement; you will have to re-apply for a new Visa. Students who have applied through an agent must contact the agent for a refund.

ILAC may be required to submit attendance and/or advancement data for all international students to the federal government. Poor attendance, lack of progression and unlawful stays in the country may result in visa removals and a student may be asked to return to their home country. There are no refunds for students changing programs.
